No. 113

Deputy Commissioner's Office
Bangalore District
Dt. 31st July 1896.
3 — 8 — 1896.

To

The Secretary to the
Government of Mysore
Revenue and General Departments.

Sir,

I have the honor to state that Molûr is situated about 2 miles from the town of Channapatna, and contains 217 houses and 1064 inhabitants, of whom a considerable proportion belong to the Srivaishnava persuasion. It yields a Inohatarfa revenue of Rs. 30/- annually. There is also in it the Muzrai temple of Apprameyaswami. During the annual car festival in April or May, 3 or 4000 devotees gather there, and the temple is much resorted to at other seasons also.

2. When last at Channapatna, I visited the village and found it very filthy and without any provision for sanitary conservancy. The measure of success attained by the minor Municipalities is counteracted by the unsanitary condition of large centres of population in the

the vicinity like Molûr. The inhabitants are averse to the introduction of Municipal Regulations; nor can the village be conveniently added to Chennapatna, as there is a wide interval of country between them.

3. I beg leave therefore to propose that 3 sweepers at 5 Rs. a month may be sanctioned for this village out of the District Funds. Such provisions from the same source have been made by Government in other parts of the Province in the interests of rural sanitation, and no place calls for the same more urgently than Molûr.

4. Should the Government be pleased to sanction the measure, due appropriation will be made in the sanctioned Budget for 1896-97, and I beg leave respectfully to assure the Government that the betterment of the health of the locality will amply repay the cost involved.

I have the honor to be,
Sir,
Your most obedient Servant,

N. Narasimmaiyangar
Deputy Commissioner
Bangalore District.
